

Timber Ridge School enhances Career & Technical Training

In Career and Technical Training, students of Timber Ridge School have the support and opportunity to prepare for employment from trades to professional positions. Students can earn specialized certifications which allow them to be more competitive in the job market, better prepared to enter the workforce, and successful on the job.

All Timber Ridge School students participate in the following:

- ◇ Career & Technical assessment & career planning—developing a career track plan
- ◇ Economics & financial literacy—eligible to earn a *Financial Literacy* certification from W!SE (Working in Support of Education)
- ◇ Workplace readiness—receiving *Workplace Readiness* certification from the Commonwealth of Virginia Career Readiness Program.

In the traditional classroom setting, Timber Ridge School offers:

- ◇ Health/PE—*Red Cross First Aid/CPR/AED* certification
- ◇ Business & Information Technology—*Microsoft Computer Specialist* certification

Through cooperative education work experiences *on-* and *off-*campus , Timber Ridge School offers:

- ◇ Culinary Arts—*ServSafe* certification
- ◇ Landscaping
- ◇ Indoor/Outdoor Maintenance
- ◇ Retail
- ◇ Manufacturing
- ◇ Warehousing
- ◇ Automotive Service

Through virtual learning opportunities such as APEX, Virginia Wizard, and programs such as the BYU Independent Study, Timber Ridge School offers instructor support for eligible students.

Areas of study:
